

1ST ERMINGTON JOEY SCOUTS LINKING TO CUB SCOUTS

Dear Joey Parent/Guardian

Youth members attend Joeys while they are 6-8 years of age. Joeys are able to be invested as a Cub after their 8th birthday, and we recommend that they link to Cubs soon after they have turned 8. Any Joeys with special needs are able to remain in Joeys until just before their 9th birthday.

No doubt your Joey Scout is looking forward to progressing to the Cub Scout section.

Details of 1st Ermington Cub Pack are listed below:

Ermington Cub Pack	Tuesdays 7.00 – 8.30 pm	Mark Andrews	0415 923 302
		Ghost	
		cubs@ermingtonscouts.asn.au	

During the linking process your child must wear their full Joey Scout uniform. Your child can attend both Joey Scouts and Cub Scouts during this time, or if preferred, can attend Cub Scouts and not Joey Scouts during this time. In order to earn the link badge your child must visit Joeys and tell the Joeys a little bit about what they have been doing on the nights they have visited Cubs.

To facilitate planning please let your Joey Scout Leaders know whether you will be attending both meetings, or not, during this period. The date for the linking ceremony is still to be confirmed.

Information on Cub Scout activities is regularly updated to the website. E1s are sent out via CareMonkey. Please check your email regularly for updated information on Cubs.

Should Tuesday night not be suitable there are other local Cub Packs that meet on a different night:

Rydalmere Cubs	Mon 6.30 - 8.00 pm	b.gross@optusnet.com.au
Parramatta Cubs	Wed 6.30 - 8.00 pm	davenliz@ozemail.com.au

We trust that your Joey Scout has enjoyed their time at Joeys, and is keen to continue the fun and challenges that Scouting brings.

If you have any queries please feel free to contact your Joey Scout Leader, or Cub Scout Leader.
