On arrival meet your Leaders near the registration table. The day starts at 8.30 am. It is a great day of fun and games paddling in a clean, calm, flat water environment. Participants will need to wear uniform to and from the venue and bring the following: - lunch, snacks, drink, water bottle, 2 towels, a change of clothes, warm jumper, water shoes, knee pads or thick foam(for kneeling in the boat they have a hard bottom), rash vest, swimmers, boardies or long shorts, goggles, sunscreen, and a hat.

Participants and parents without water shoes, sunscreen and a hat will not be permitted to participate. Please do not be late as parking is not plentiful (in fact less plentiful than before as some of the car park has become picnic area). There is a cafe on site and BBQs (which book out pretty fast early in the morning).

We will have a few games where you can practice your skills and have some fun.

Ermington Joey Leaders will be helping to run some games on the day, and we hope to catch up with you all at lunch time. We would love to see some photos of you all having a great day. Please note that if you can only attend for part of the day due to other commitments that is possible.

The Group will bring along some life jackets to wear if you do not have one. SIS water activity qualified guides and leaders will be present to help novice paddlers.
