***Approx 1 week after 26 Feb you will receive an email with a link to the online E1 - all attending the activity must complete the E1.***

### **What is Joey Fun Day?**

Joey Fun Day is a Greater Western Sydney Region (GWSR) event, where over 100 registered Joeys (no siblings) will meet at Bundilla Scout Camp (Winston Hills) for a day jam packed full of fun. There are normally about 10 bases running throughout the day.

Joeys will be split up into groups, at least 2 Joeys from the same Mob will be in the same group. They stay in their group and rotate through the activity bases. Lunch is spent together with your Mob. Activity bases are themed - this year they will have a space theme. There is also a climbing wall and flying fox base.

### **What to Wear**

All Joeys must have fully closed in shoes (this is a requirement for participation in the climbing wall and flying fox base) and Group Scarf. Any external loose clothing must be removable for the climbing wall and flying fox.

### **What to Bring**

Drink bottle full of water (can be topped up on site), sunscreen, morning tea (no nuts please), hat. All these need to fit in a small day pack that will be carried around on site. Please label everything. If your child suffers from Asthma, please pack any required medication. Please label everything. ***Do not bring electronic devices, nuts or glass.***

### **Lunch**

Lunch is a sausage sandwich provided by Outback Steakhouse at no cost to Scouts. If you have special dietary requirements we ask that you bring your own lunch. The cost of food has not been included in the activity fee. Please ensure that you also list any food allergies on the E1 in case there is a food component at a base.

### **Parking**

There is no parking on site due to safety concerns. Please park on the street and walk you child through the entry gate and meet your Leader near the registration area. Leaders must mark off your child's arrival and departure.
